Ethical Clearance – Application No.037/2025

Title: Neo Care –Contactless Neonatal Health Monitoring System

I am pleased to inform you that the Ethical Review Committee Meeting (ERC) held on 11.09.2025 at De Soysa Hospital for Women has granted ethical approval for your proposal.

The approval is valid until one year from the meeting date stated above. You may make a written request for renewal/extension of the validity, along with the submission of an annual progress report. As the principal investigator, you are expected to ensure that procedures performed under the project will be conducted in accordance with all relevant national and international policies and regulations that govern research involving human participants. You are requested to submit a copy of the final report to the office of De Soysa Hospital for Women.

The Certificate of Ethical clearance is attached.

Regards,

Director
De Soysa Hospital for Women
Colombo 08.
